

BALMORAL ULTRA PLUSH

SMARTEX[®]

Our exclusive SmarTex[®] fabric draws away moisture and regulates temperature to provide you with a more comfortable sleep environment.

TENCEL[™]

A botanic fibre made from wood, soft and lustrous, boosts moisture wicking for superior breathability.

PREMIUM CASHMERE FIBRE BLEND

Natural, exotic fibres are combined to create a luxurious sleep surface, designed to promote breathability.

CONVOLUTED SUPERSOFT QUILT LAYER

Provides an ultra plush feel that contours to the shape of your body for pressure relief.

SUPERSOFT QUILT LAYER

Creates a soft sleeping experience that contours to the shape of your body with added pressure point relief.

COMFORTCORE[®] PLUS

Featuring GEL INFUSED VISCO ELASTIC

A densified layer of memory foam, combining particle gel to conform to the important lower part of your back.

DEEP SUPERSOFT FOAM

A deep layer of supersoft foam creates a luxurious feel and long-lasting comfort.

CUSHIONING FOAM

A cushioning layer which contours to your body and provides an ultra plush comfort feel.

MEMORY FOAM

Slow release foam cushions movement and provides pressure point relief.
